DISTRICT DIRECTOR

Let's CELEBRATE! As this year's District Director, it has been an honor and a privilege to work with all of you in making District 84 shine! This year's Leadership team has brought many creative new ideas to our district.

As we continue to work together, we learn and grow together. You are all an inspiration to me, with each member bringing your unique personality, potential and passion!

As we get together this weekend "**UNDER THE BIG TOP**" it's especially exciting to enjoy each other's company in person. Let's take advantage of what the next few days has to offer. Don't miss the many educational and fun events planned. Meet up with old friends, make new friends, and share your Toastmasters success stories with one another.

Thank you all for sharing your passion for Toastmasters and allowing us to be part of your Toastmaster journey.

**HAVE A GREAT TIME
UNDER THE BIG TOP!**

Paula Summa, DTM

PROGRAM QUALITY DIRECTOR

Welcome, Fellow Toastmasters, to the greatest show on earth: **UNDER THE BIG TOP!** I know it is the greatest because YOU are here, celebrating this opportunity to come together as our District 84 family.

There's something about a circus that is magic! You are here because you believe in that magic that surrounds us as we greet old friends and make new ones. You will hear the magic as we laugh and learn together. You will feel the magic as inspiration and motivation from the many educational sessions and outstanding keynote speakers fill your soul with replenished energy and enthusiasm to make your continuing Toastmasters journey incredible.

PT Barnum said, "No one ever made a difference by being like everyone else." Share your unique self in the safe and supportive Toastmasters environment. Be the magic, not the illusion.

**LIFE IS A CIRCUS—
ENJOY THE SHOW!**

Vickie Goodman, DTM

There are so many invaluable experiences that I can reflect on this year and I know that each of you can share similar successes. During the conference take a moment to share your gratitude with your fellow toastmasters and friends. Remind them how they have inspired you and walked with you on your journey.

I am truly grateful to every Toastmaster who has journeyed before me, with me, and those that will come after me. I am a better person because of District 84 and I know there is so much more to learn.

Thank you!

INTERNATIONAL DIRECTOR

District 84 Toastmasters, In spite of many challenges, the Toastmasters organization is growing and evolving around the world, because you, our members, accepted the challenges and pushed your boundaries to view leadership and communication through different lenses. You not only showed up, but took ownership of your leadership roles, participated enthusiastically in club, area, division and district events, and volunteered to step out of your comfort zone to embrace new challenges and opportunities. BRAVO!

I feel so proud to know each one of you is shining today. Embrace the opportunity to network with fellow Toastmasters and celebrate each other's accomplishments as you gather - "Under the Big Top". The beauty of Toastmasters is that, once we become part of this family, we get access to fellow Toastmasters and mentors for life.

Congratulations to all of you in District 84 for staying the course, navigating through your unique challenges and remaining committed through it all.

WHAT WAS THE FIRST CIRCUS?

Philip Astley (1742-1814), the founder of modern circus, staged a show in London in 1768. Astley was a sergeant major turned trick rider, found that if he galloped in a circle while standing on his horse's back, centrifugal, and centripetal forces helped him to keep his balance.

It was presented in a circular structure, and named Astley's Amphitheatre. He later added other acts, such as acrobats, a clown and a band to his performances.

IN LOVING
Memory

*I'd like the memory of me
to be a happy one.
I'd like to leave an after glow
of smiles when life is done,
I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing
times and bright and
summer days
I'd like the tears of those who
grieve, to dry before the sun,
Of happy memories that I leave
When life is done.*

HECM Senior Home Financing, Inc. (NMLS #1415881), 5730 Old Cheney Highway. Orlando, Florida 32807 is a Mortgage Broker that conducts business in the State of Florida. HECMs are first and second mortgage loans. A HECM possibly increases the principal loan amount and possibly decreases home equity (if no payments are made then it is a negative amortization loan). Borrowers are responsible for paying taxes, insurance and maintaining the property in normal living condition. Usually, an escrow account is not established for disbursements of these payments.
